ROCK COUNTY HISTORICAL SOCIETY MEMBERSHIP DRIVE

We depend on the generous support of our members to allow us to continue our work preserving, protecting, maintaining, and displaying the history of Rock County. Your support makes it possible to continue to serve our community and the public through cultural and educational programming as well as providing essential research and information.

Your membership is an investment that enriches lives because....**HISTORY MATTERS!**

The RCHS regularly brings in new items like this icebox previously owned by Al McIntosh and the first in Rock County to be converted to electric.
